## **Database Management Services and Mid-Atlantic Corporate FCU Sign Mutual Referral Agreement**

Boise, Idaho - March 26, 2001 - Database Management Services, Inc. announced today the signing of a Mutual Referral Agreement with Mid-Atlantic Corporate Federal Credit Union. Under the agreement, Database Management Services will offer credit union clients of their HomeCU™ Internet banking solution the option to select Mid-Atlantic as their electronic bill payment processor. Additionally, Mid-Atlantic Corporate FCU will provide their member credit unions with information about Database Management Services' HomeCU™ Internet banking solution.

"We have worked with Mid-Atlantic over the past several years through specific mutual clients and believe they offer a high quality service. We are pleased to formalize a relationship that has grown out of a shared commitment to deliver the best solutions possible to our credit union clients," said Joe Pearson, President, Database Management Services.

Mid-Atlantic's EBP front-end method will interface with Database Management Services' HomeCU™ Internet Banking solution, and Database Management Services will offer a secure on-line enrollment application for Mid-Atlantic's EBP service.

Mid-Atlantic provides EBP services to 118 credit unions from 19 states and Guam. In addition, the corporate partners with Louisiana Corporate Credit Union and TriCorp Federal Credit Union to deliver EBP services to their respective members.
